2024 Exhibitor Agreement
Reno Air Show
Celebrating 60 Years in Reno
October 4 - 6, 2024

Contact Name: _____ Company: _____

Upon signing this Exhibitor Agreement, the Reno Air Racing Association, Inc. (RARA), (hereafter known as the "Association"), grants to your organization the concession to exhibit at the Reno Air Show as per the below listed policies and terms. Please make a copy of the entire application and agreement for your records. This agreement is not binding upon the Association until it has been duly accepted and signed by an authorized officer of the Association after all required documents are received. Exhibitors will not be allowed to move into their booth or space without full payment of all fees and submission of all documents required by this Agreement and as stipulated on the Exhibitor Application.

Exhibitor Application: The *Exhibitor Application* must be completed and returned to the Association's office by **July 1, 2024** to reserve the best available space or the space you had last year. The Association **must** have all documents to us (including insurance) by **August 1, 2024**. We reserve the right to move or reject any Exhibitor who does not have **all** documents to us by this date. Please note that space is limited. Completion of the application does not guarantee Exhibitor acceptance. Any Exhibitor not accepted will be refunded all fees paid. **Applications received after noon July 1, 2024, will be accepted on a case- by- case basis.**

Credentials, Booth Request and Insurance: Please fill out the *Credentials, Booth Request and Insurance* sections included with your Exhibitor Application to order the credentials and parking permit(s) needed to gain access to your Exhibitor space during the events. **No credentials will be given out unless all costs/fees are paid in full and, workers sign a release of liability and a Certificate of Insurance is on file with the Association.** Exhibitors must report to the Vendor/Exhibitor Office located just outside the main gate to verify booth assignments and receive credentials prior to booth setup.

Insurance: A Certificate of Insurance for general liability (minimum of \$1,000,000) naming the **Reno Air Racing Association, Inc., its Directors, Officials, President and CEO, Employees, Volunteers, Agents, Underwriters and Sponsors, Washoe County, City of Reno, Reno- Tahoe Airport Authority, University of Nevada, Reno** as additional insureds is **MANDATORY**. Insurance must be valid from your first day of setup to your teardown date (e.g., Oct 2 to Oct 6, 2024) The insurance certificate must be received by the Association on or before August 1, 2024, or application may be rejected. Please fax the certificate to 775.972.6429 or mail it to Reno Air Racing Association, 14501 Mt. Anderson Street, Reno, NV 89506.

Auto Insurance: Any vehicle entering the event area (for setup, re-supply and teardown) will need to carry valid Auto Insurance at all times. You will need to show proof of insurance if requested.

Release of Liability: The Exhibitor shall be responsible for the exhibit, exhibit items and operation of the booth at their own risk. The Exhibitor agrees to indemnify and hold harmless the Reno Air Racing Association (RARA), the Reno-Tahoe Airport Authority (RTAA), their officers, agents and employees from any and all claims, causes of action and suits occurring or resulting from any damage, injury, loss to any person or persons including, but not limited to, persons to whom the Exhibitor may be liable under any Worker's Compensation Law and the Exhibitor himself from any loss, damage, cause of action, claims or suits for damages including, but not limited to, loss of property, goods, wares or merchandise, caused by, arising out of, or in any way connected with the exercise by the Exhibitor of the privileges granted herein.

The Association will not be responsible for the safety of the Exhibitor's property against theft, fire, accident or any other destructive cause, or for any injury that may arise to the public in the leased area, or to the Exhibitor or their employees while on the Air Races grounds. All persons who receive credentials will be required to sign a personal release of liability before credentials are issued.

The Exhibitor acknowledges there is a risk of mechanical and human failures incident to these races and hereby assumes all risks including the risks of serious injury and death and releases RARA Directors, employees, agents, sponsors, operators, participants and the Reno-Tahoe Airport Authority (RTAA) from any and all claims relating thereto regardless of fault.

Air Race Dates and Hours

Exhibitor Setup Schedule: Exhibitor setup will be Wednesday, October 2, 2024 and Thursday, October 3, 2024, from 8:00 am to 5:00 pm each day. **All Exhibitors must be setup by 5:00 pm on Thursday, October 3, 2024.** Early arrivals are encouraged.

Event Schedule: The event schedule will be Friday, October 4, 2024, through Sunday, October 6, 2024, from 10:00 am to the end of the last event (approximately 4:00 pm) each day. Exhibitors must have at least one person in attendance at their booth at all times during the event schedule (Please note that the gates open at 8:00 am and if you are re-supplying your booth, you must move your supply vehicle before that time).

Exhibitor Space Fee: Following is the fee schedule for booth space at the 2023 National Championship Air Races

Size Fe	Furniture provided	GA Space Fee
10' x 10'	Tent w/1 draped table & 2 chairs	\$1,800
10' x 20'	Tent w/2 draped tables & 4 chairs	\$2,300
10' x 30'	Tent w/3 draped tables & 6 chairs	\$2,800
10' x 40'	Tent w/4 draped tables & 8 chairs	\$3,300
20' x 20'	Tent w/4 draped tables & 8 chairs	\$3,300

Booth space fees include 110 volts 20-amp electrical service (**if requested on application form**), airport permit fees, tent and furniture as indicated above. The space fee is due at the time of application and no application will be accepted without it.

Booth Setup Information

Space Allotment: Your space allotment is available in increments of 10' x 10'. Your tent will use the entire space unless you request a smaller tent, such as a 10' x 10' tent on a 10' x 20' space. Due to the enforcement of fire lanes and visibility issues, **you are not allowed to use additional space in front of or to the side of your allotted space, all display items must be within 5 feet in front of the booth. This will be strictly enforced. If you need more space, you will need to pay for a larger size area. Sandwich Boards and signs must be under 4ft tall.** Certain areas of the event have greater flexibility in terms of extra space availability. We will do our best to work you into one of these spaces. An additional space fee may apply. Please indicate your needs on the application and include a drawing of your anticipated setup.

Space requests for trailers should include pop-outs, awnings, free-standing display items and tow vehicle (even if tow vehicle will not be connected to the trailer during the event, we need to know the size to allow for maneuverability into the assigned space).

Tents, Furniture, Freight Handling, Labor, and Carpets: RARA Tents (3 sides with top) and furniture are provided as per the specifications listed under *Exhibitor Booth Fees*. Larger tent configurations are available upon request. Please indicate your booth size requirements on the *Exhibitor Application*.

The Association will not accept any shipments of freight at our location. The Association is not responsible, nor will it arrange to provide, movement of freight and any kind of labor for the installation, removal or servicing of any Exhibitor space.

Exhibitors utilizing their tents, canopies or shade covers must realize this is an outdoor event held in an area of sudden gusting winds. Permission to erect Exhibitor owned displays must be reviewed/approved by the Association and displays which cannot be properly secured to withstand high winds will not be erected (i.e., EZ UP Canopies). Water barrels will be provided. Exhibitor assumes all liability and responsibility for their own tents.

Booth Security: Tents supplied by the Association do not come with a front enclosure (4th side). It is strongly recommended that you provide your own front enclosure (such as a tarp) and clamps or ties to secure your tent during non- operational hours. While the Association provides 24-hour security onsite, the Association is not responsible for your loss of goods for any reason.

Electricity: There are a limited number of 20-amp standard service electrical outlets available except for certain spaces. If your equipment requires additional power, there may be additional fees. Generators that are small and quiet may be permitted. Make/model and size of the generator must be submitted to the Association for approval by July 26, 2024. If you plan to use electricity, please bring 100-foot, heavy-duty extension cords. A three-prong twist lock to standard plug, OSHA-proved junction box adaptor is required to facilitate your power hook-ups. This adapter will be provided for use at the event— DO NOT take them home with you. All Exhibitors who plan to use electricity must indicate so on the ***Exhibitor Application. It is imperative that the electrical portion of your application be complete and accurate for proper placement of concession on site.*** Electricity may not be available during event setup, but will be in place by opening day. Please plan your setup accordingly.

A disruption of electrical, telephone data lines, water, etc., due to any cause, shall not void this Exhibitor Agreement and the Association shall have no liability for such disruptions.

Wireless Internet: If you plan to use a wireless access of the internet, be aware that during the event, high cell phone usage can cause delays in processing data. The Reno Air Show plans to have wireless available, however; a back-up plan is highly recommended.

Booth & Space Clean Up: At the end of each day during the Air Show, each Exhibitor is responsible for the clean-up of their sales area. All equipment, whether tents, trailers or push carts, must be attractive, clean and in good repair. Exhibitors must care for and keep in good order their occupied space. It is very important to be aware and take every precaution possible to prevent any possible injury to visitors, guests or employees.

Parking: A Re-Supply Parking Pass will be issued to each Exhibitor for their supply vehicle. The vehicle may come inside the gate to re-supply during non-event hours. Exhibitors may not park their supply vehicle in any space other than designated Exhibitor parking areas. Fire lanes shall be maintained and unobstructed at all times. Violator's vehicles will be ticketed by the appropriate authority and towed away at the owner's expense. After loading/unloading, all vehicles must be moved and parked in the designated ***Exhibitor Parking Lot.*** Supply parking permits are not needed for setup before October 4, 2024, or after 5 pm on October 6, 2024, for most Exhibitors. All vehicles entering the event area must have valid Auto Insurance coverage. The Exhibitor/Vendor Lot is located at the east end of the airport. Exhibitors will be issued up to 2 Exhibitor Parking Permits per booth to park in that lot. (Larger booths will receive 3 Parking Passes)

Camping: The Association has a limited number of dry camping spaces available for RVs. You may purchase a reserved space in advance by contacting the Air Show office. Overnight sleeping is not allowed in any area other than the designated RV parking/camping areas.

Products Approved

To Distribute/Display: It is expressly understood that Exhibitors, their agents or their employees are prohibited from distributing, selling or displaying products except of those listed on the Exhibitor Application and approved by the Association. Exhibitors may request the approval of the Association to change the list of articles, products and/or services up to one month prior to the Air Show. Please submit any changes in writing. **Distribution of flying objects (any type of umbrellas, kite, balloon or model airplane, toys that shoot, fling or are otherwise operated by rubber bands) are prohibited. Weapons such as guns and knives, including small pocket knives, are prohibited. Explosive devices will not be allowed.**

Exhibitors do certify that they are an authorized distributor, manufacturer or licensee of all articles, products and/or services that are distributed, displayed and/or sold at the Air Show.

To Give Away: No food, beverage or merchandise (i.e., balloons, visors, sunglasses, T-shirts, etc.) may be given away anywhere on the Air Show grounds. Such acts conflict with concession rights held by others. Exhibitors expecting to dispose of sample and gift items must obtain written permission from the Association.

Literature: All literature that is to be distributed or displayed must be received and approved by the Association by July 26, 2024, otherwise, the Exhibitor will be prohibited from distributing or displaying said material.

Exclusivity: Other than through sponsorships, the Association will not grant or guarantee an exclusive right to any Exhibitor for any item or items exhibited at the Air Show.

Use of Logo: Products to be given away or otherwise distributed to attendees at the Reno Air Show which include a word or words, graphics, designs, photographs or a combination thereof which commemorates, denotes, references or otherwise makes some association with the Reno Air Show and therefore are likely to be requested by attendees because of such association, are strictly prohibited for all Exhibitors. Examples of prohibited wording are (but are not limited to) "Air Show," "Reno Air Show," "2024 Air Show," etc.

The term "Reno Air Show," and the Reno Air Show pylon, in particular, are registered trademarks, and their use is prohibited.

Requests for exemption for any prohibited wording/graphics must be presented in writing to the President/CEO of the Association and a copy of the proposed artwork should accompany the request.

Violators of this policy will be removed from the Air Show premises and prosecuted.

Raffles/Drawings: Raffles or drawings that have been approved by the Association and which comply with all applicable Federal, State and Local statutes and ordinances will be permitted. All raffles/drawings must be registered with Association prior to confirming this Agreement. The names and addresses of the winners must be filed with the Association within 30 days of the closing date. Drawing entries must be kept in secured containers so as not to litter the event grounds.

Rules of Conduct: The Association reserves the right to stop and remove and/or relocate any Exhibitor or their representative(s) from exhibiting, selling or performing any act or practice which, in the opinion of the Association, is objectionable, interferes with the performance of others or creates a health, safety or fire hazard.

Use of loud noise makers is strictly prohibited (for example bull horns, megaphones, loud music, etc.).

All Exhibitors are expected to conduct themselves in a professional manner or will be asked to leave immediately, according to the rules of this agreement. Any unruly conduct, refusal to follow rules or use of foul language to Air Races patrons or personnel will be considered grounds for immediate expulsion from the Air Races. **Exhibitors in violation of these rules will not be invited to return to subsequent Air Show.**

The Association provides a service to both Exhibitors and Air Show fans. It is our policy to maintain clean facilities and neat grounds and respect our visitors. We must insist that our Exhibitors provide the same respect for our Air Show fans as well as fellow Exhibitors. For our mutual benefit, we retain the right to remove any Exhibitor from the Air Show grounds if the Association feels that the Exhibitor violates our rules

of conduct or does not comply with the signed agreement and written rules. **RARA will have staff dedicated to monitoring activities of Exhibitors to ensure adherence to all Policies and Rules.**

The decision of the Association on all matters not covered in these conditions will be accepted as final.

General Policies and Rules

Refund and Cancellation—Exhibitors wishing to cancel a booth or space after an agreement has been signed must submit their request in writing. All refunds are subject to approval of the President and CEO of the Reno Air Racing Association. A minimum of a \$100 cancellation fee will apply.

No refunds will be made after August 1, 2024.

Inclement Weather/Event Interruption Policy: In the event of inclement weather or should the Air Show be interrupted in any way, regardless of cause, the Association will do everything reasonably possible to continue or resume the Air Races at the earliest possible opportunity. There will be no refunds. The request to close any booth early must be made to the Corporate Operations and Finance (or designee) onsite prior to the closing of the booth.

Air Show Attendance: The Association is not responsible for decreases in normal Air Show attendance due to acts of God, weather, or any other cause.

Nevada Bad Check Law: “The issuance of a check or draft without sufficient money or with the intent to defraud is punishable by imprisonment in the county jail for not more than 6 months or by a fine of not more than \$1,000 or by both fine and imprisonment.”

Exhibitors’ checks issued to RARA and returned for non-sufficient funds will be aggressively pursued for criminal prosecution. Further, any Exhibitor issuing a check that is returned shall be precluded from any further business opportunities with the Association. Exhibitors are responsible for any returned check fees.

Credit Cards: At this time, we can only accept Visa, MasterCard, American Express and Discover Card for payments via credit cards.

Local, State, and Federal Statutes and Ordinances: Exhibitors shall comply with the laws, rules, regulations and codes of the State of Nevada, Washoe County, City of Reno, Reno-Tahoe Airport Authority and the Association that may include, but are not limited to, Worker’s Compensation, insurance, health and safety, fire, construction and utilities. In addition, Exhibitors must comply with all applicable Federal, State and Local statutes and ordinances and must assume full responsibility for the payment of all sales, use and processor interest, taxes, assessments and/or fees occasioned by their use of the premises.

Fire Marshal Regulations: All Exhibitors are required to abide by rules and regulations as set forth by the City of Reno Fire Marshal’s Office. Deputies of the Fire Marshal will be on the grounds during move-in as well as Air Races event days to inspect booths and may demand the removal of any exhibits not conforming to rules.

Terms of Agreement

Your organization shall act as an independent contractor and not as an agent or representative of the Association. You shall not hold yourself out as speaking for or on behalf of the Association nor permit anyone under your authority to do so.

In determining the number, size and location of booths, the Association will not be unreasonable or arbitrary, but the Association may consider the needs and requirements of other exhibitors, traffic, crowd control and other matters relevant to the operation of the event.

You shall designate in writing the name, address and telephone number of the responsible person in your organization who is authorized to speak for and to fully represent your organization in connection with the Exhibitor. You may at any time change representatives by a new written designation. Unless otherwise specified, the contact name and contact information provided on the *Exhibitor Application* will constitute this designation.

This concession is granted specifically to your organization and may not be transferred, assigned or subcontracted, in whole or in part, without the written consent of the Association. **No sharing of booth space with another Exhibitor is allowed without express written permission from the Association.**

The foregoing concession privilege is granted for this year's event only, and neither your organization nor the Association shall be obligated for any future year. If the terms of this agreement are accepted, it will be your responsibility to perform in a manner that creates a favorable public impression and goodwill for the Reno Air Show and for the community at large.

Please sign below and return to the Association to indicate your acceptance of the agreement. It is mutually understood and agreed that no alteration or variation of the terms of this agreement shall be valid unless made in writing and signed by the parties thereto.
